	🌱 Vegetative Stage			🌸 Flowering Stage							
	🏠 Backcountry Blend Feed Program	Week 1	Week 4	Week 6	Week 1	Week 3	Week 4	Week 6	Week 8	Flush 1	Flush 2
📦 BACKCOUNTRY BLEND GROW	1 -2 tsp	1 - 2 tsp	-	-	-	-	-	-	-	-	-
📦 BACKCOUNTRY BLEND BLOOM	-	-	-	1 - 2 tsp	-	1 - 2 tsp	-	-	-	-	-
➕ BACKCOUNTRY BLEND BOOST	-	-	-	-	1 tsp	-	1 tsp	-	-	-	-

*This Feed Program is A General Guide

IMPORTANT USAGE NOTES:

Measure carefully. A little goes a long way.

As climate and temperature can affect nutrients release, use the lower application rate in warmer temperatures and the upper application rate in cooler temperatures.

When using as a top-dress application, spread evenly across the grow media taking care not to touch the plant stem

**BACKCOUNTRY BLEND IS FORMULATED
FOR THE OUTDOOR GROWER**
